

POZIV CEPLJENIH IN NECEPLJENIH DRŽAVLJANOV K RAZMISLEKU

Spoštovani!

Opomba: V Kazenskemu zakoniku (KZ-1) stojita 280. in 281. člen, ki pravita, da smo državljani dolžni prijaviti če vemo, da nekdo pripravlja ali izvaja kaznivo dejanje, za katerega je predvidena zaporna kazen 15 ali več let zapora, kar genocid vsekakor je. V nasprotnem, če tega ne prijavimo, smo mi v prekršku, zaradi katerega nam zakon predvideva do 3 leta zaporne kazni.

Ne moremo verjeti, da so v tej moderni dobi, dobi izobilja in napredka, doživeli tako surovo fašistično prisilo vsi, ki se nočejo cepiti (prvič, drugič ali tretjič), ker so ugotovili, v čem je prevara in imajo za to tudi neizpodbitne dokaze. Ne enega, mnoge dokaze, ki drug drugega potrjujejo. Prosimo, da si vzamete toliko časa, da pregledate vsebino tega dopisa – razlago prevare s “cepivi”, ki to niso, vse zgovorne dokaze, ki so povzeti iz relevantnih virov – iz uradnih vladnih strani v zvezni državi Zahodni Avstraliji, v ZDA (U.S. Department of Defense in U.S. Department of Health and Human Services), s strani FDA, CDC, VAERS, torej inštitucij, ki objavljajo uradne podatke in ugotovitve državnih organov ter iz strani ATCC in drugih. Prosimo, da ste pozorni predvsem na sledeče:

1. Iz diagrama, ki predstavlja podatke iz sistema VAERS (v okviru CDC) (priloga 1), je razvidno, da so samo v enem letu, odkar poteka cepljenje proti COVID-19, cepiva proti COVID-19 povzročila več smrti, kot vsa druga cepiva skupaj, ki so bila kdajkoli uporabljena na svetu v obdobju 1988 – 2021. To je uradni podatek, dejanski je še veliko večji, ker je znano, da ljudje ne prijavijo več kot nekaj % vseh primerov. Torej to ni “nekaj na milijon”, kot naši pravijo! To je velika laž, ki omogoča izvajanje tega genocida “preko trupel” in jo korporacije non stop ponavljajo kot mantra.

2. Pod Prilogo 2 so uradne informacije o cepivu podjetja Moderna, torej dokumenti iz spletnih strani CDC; FDA in vladnih spletnih strani države Connecticut (ZDA). Uradno je navedeno, da cepivo vsebuje preparat SM-102 (Proizvajalec Cayman Chemical ga vodi pod kataložno št. 33474), ki ima funkcijo lipida in je ena najbolj strupenih zmesi kemikalij. [glej vire pod št. 9 in 50 ter 51]

3. Kaj je preparat **SM-102** je razvidno iz tehničnega lista proizvajalca (glej prilogo 3). To je **zmes lipida z bruto formulo $C_{44}H_{87}NO_5$ in topila kloroforma**. Ta zmes je označena z oznakami “HARMFUL IF SWALLOWED”, “FATAL IN CONTACT WITH SKIN”, torej je hudo, hudo strupena za vse žive organizme, na tehničnem listu stojijo tudi stroga opozorila:

NI ZA UPORABO V ČLOVEŠKI MEDICINI NITI V VETERINI!

NI ZA UPORABO V DIAGNOSTIKI NITI V TERAPEVTIKI!

SAMO ZA RAZISKOVALNE NAMENE!

In če so ga uporabili v cepivu, potem cepivo ni medicina!

Potem je to orožje!

4 Pri “cepivu” podjetja **Pfizer** je med lipidi navedena podobna snov z oznako **ALC-0315**, brutoformula $C_{48}H_{95}NO_5$.

Primerjava: SM-102 ima bruto formulo $C_{44}H_{87}NO_5$. Obe snovi imata uradno deklarirano funkcijo lipida, vsak v svojem cepivu. Pri SM-102 je uporabljeno topilo kloroform, pri ALC-0315 (proizvajalec Excenen Pharmatech) pa so možna topila, kot navaja tehnični list, **diklorometan**, **dimetilformamid** oz. dimetilsulfoksid. (Glej priložene dokumente!) [glej vire pod št. 9 in 50 ter 51]

Pa pogledjmo, kaj piše na tehničnem listu za **dimetilformamid**:

Classification

This chemical is considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

Harmful in contact with skin

Causes serious eye irritation

Harmful if inhaled

May cause respiratory irritation

May cause drowsiness or dizziness

May damage the unborn child

Kaj pa piše v tehničnem listu za **diklorometan**? Pa pogledajmo:

May be **fatal if inhaled**.

Skin absorption may cause toxic effects similar to those described for inhalation.

Harmful if swallowed.

Repeated or prolonged exposure may cause damage **to the blood, heart, liver and kidney.**

5. V subunit »cepivu« Nuvaxovid podjetja **Novavax** proizvajalec navaja, da njegovo COVID-cepivo vsebuje preparat **Matrix M (Matrix-M1, kot je navedeno v dokumentu ameriške vlade,** dosegljivemu na povezavi: <https://www.hhs.gov/sites/default/files/vaccine-development-to-large-scale-manufacturing-agreement-with-novavax.pdf> . Dokument opisuje pogodbo med **U.S. Department of Defense**, U.S. Department of Health and Human Services in podjetjem Novavax).

[glej vire pod št. 66, 67, 68, 69, 70, 71, 72, 73, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 92, 93]

V tehničnem listu za Matrix Protein M1 proizvajalca **AnaSpec** (pod okriljem Eurogentec) piše:

»To our knowledge, the **hazards of this material have not been thoroughly investigated.**«

»Maybe **harmful if swallowed or in contact with skin.** Wear PPE.«

»May be **respiratory irritant if inhaled.** May cause respiratory tract irritation.«

»Chronic Exposures: No information available. We recommend limiting prolonged exposure.«

»It is not intended for food, drug, household, agricultural or cosmetic use.«

Poleg vsega podjetje Novavax navaja, da se v cepivu Nuvaxovid nahaja celična **kultura Sf9**. Pa si pogledajmo, kaj pravi organizacija **ATCC** v svojem tehničnem listu za produkt Sf9 CRL-1711™:

»Intended Use

*This product is intended for laboratory research use only. It is **not intended for any animal or human therapeutic use, any human or animal consumption, or any diagnostic use.***«

Torej produkt NI ZA UPORABO NA LJUDEH!!!

Sami se odločite, ali bi si substance, za katere celo sam proizvajalec trdi, da so ob zaužitju ali ob kontaktu s kožo škodljive, vbrizgali v rama in peljali tudi otroke na tako cepljenje!

Podrobnejšo predstavitev ozadja tehnologije **Matrix-M (Matrix-M1)** s citati iz študij in iz **patentov za ISCOM Matrix M (Patent št. WO97 / 30728 (A61K 039/39) ter Patent št. EP 2 595 653 B1 Novavax influenza vaccine)** si pogledajte v prilogi z naslovom:

DODATEK - PODROBNEJE O SUBUNIT CEPIVU NUVAXOVID PODJETJA NOVAVAX

6. Še enkrat se ozrite na vire [glej vire št. 11, 14, 56, 57, 58, 65, 69, 70, 71, 72, 73, 86, 93], kjer najdete, kakšna partnerstva ima podjetje Moderna (ter tudi Pfizer, Novavax in ATCC) z vojsko (agencija DARPA, U.S. Department of Defense). DARPA je zelo znana ameriška vojaška inštitucija, specializirana za razvoj vseh vrst orožij, tudi bioloških.

S tem pa se postavlja vprašanje namena – kot, da je bil vseskozi namen **planirani kriminal!**

7. Dokazi so tako očitni, da bi morali biti slepi, gluhi in omejeni, da v vsem tem ne bi videli očitne prevare. Ljudje umirajo, mnogi smo hudo poškodovani kmalu po cepljenju, prikrivajo se podatki o umrlih po cepljenju, navajajo se lažni podatki o umrlih "od COVID-a", da bi korporacije imele lažni razlog, da nadaljujejo s svojo agendo "preko trupel" pod izgovorom neke "nevarne bolezni", ki so jo same s temi njihovimi strupi ustvarile. COVID-a drugače sploh ne bi bilo.

"Virus" je samo dimna zavesa za strupljenje ljudi.

Vzemite v roke latinski slovar, v latinščini beseda

VIRUS pomeni STRUP!! (direktni prevod)

Zelo pomenljivo, kajne?

Spoštovani, ali bi vi po vsem tem ostali ravnodušni, bi priporočili ljudem naj cepijo otroke, celo dojenčke s temi strupi? Kar počez, vse po vrsti, cel narod, cel svet! Obvezno! Kdor se noče, naj bo kaznovan! Naj gre v "logor" (izolacijske centre)! Ali je to možno, da se ne smemo oglasiti, in povedati, kaj smo našli v uradnih vladnih dokumentih? Če se dvigneš proti svoji smrtni obsodbi, ti rečejo "teoretik zarote". Ampak to, kar se pravkar dogaja, ni teorija, to je očitna ZAROTA! In smrti povzročajo tako lipidi in njihova topila, kot tudi grafen, ki je tudi v vseh cepivih za COVID-19. Z njim zasužnjujejo cele narode, iz nas delajo robote (Prav grafen in njegovi derivati so tisti superprevodniki, ki to omogočajo.) Da ne bi zdaj kdo mislil, da se nekaj izmišljujemo, vam podamo nekaj povzetkov uradnih izjav **turškega ministra za industrijo in tehnologijo, g. Mustafe Varanka** iz dne 30.03.2021, na slovesnosti ob odprtju nove tovarne grafena podjetja Nanografi v Ankari (novico smo dodali tudi v priloge):

Graphene, which is made of a layer of tightly-packed carbon, is light, 200 times stronger than steel and more conductive than copper.

*Purely carbon-based graphene is one of the most critical components of nanotechnology with single-atom-thickness. Varank stressed that **graphene will help the production of** longer-lasting materials, ultra-fast rechargeable batteries, faster and lighter aircraft, **bionic devices that can connect to neurons in the body.** 'Bioelectronic medical technologies that provide real-time treatment by reading and changing body electricity' will be developed, and corrosion, heating and transmission problems will be solved," he added.*

Mimogrede, V Čilu že sprejemajo zakon za zaščito mentalne zasebnosti in svobodne volje!

Dodajamo še kratek povzetek novice iz Reutersa, dne 29.3.2021:

Out of my mind: Advances in brain tech spur calls for 'neuro-rights'

BERLIN (Thomson Reuters Foundation) - A turning point for Rafael Yuste, a neuroscientist at New York's Columbia University, came when his lab discovered it could activate a few neurons in a mouse's visual cortex and make it hallucinate. "We could make the animal see something it didn't see, as if it were a puppet," he told the Thomson Reuters Foundation in a phone interview. "If we can do this today with an animal, we can do it tomorrow with a human for sure." Yuste is part of a group of scientists and lawmakers, stretching from Switzerland to Chile, who are working to rein in the potential abuses of neuroscience by companies from tech giants to wearable startups.

Following his team's discovery, he launched the NeuroRights Initiative, which advocates five "neuro-rights" to protect how a person's brain data is accessed and used, including a right to mental privacy and to free will.

"Right now, it's the wild west," Yuste said.

In Chile, senate member Guido Girardi is pushing to translate those principles into law, with a bill that would give legal protection to a suit of neuro-rights, and a complementary reform to the country's constitution.

Povezava: <https://www.reuters.com/article/us-global-tech-lawmaking-analysis-trfn-idUSKBN2BL1RH>

Še najbolj sveža novica o dogajanju v Čilu iz dne 30.9.2021:

V Čilu so 29. septembra SPREJELI zakon o nevro svoboščinah - "neuro rights law"!!

In the face of neurotechnology advances, Chile passes 'neuro rights' law

Chilean lawmakers on Wednesday approved a law establishing the rights to personal identity, free will and mental privacy, becoming the first country in the world to legislate on neurotechnology that can manipulate one's mind.

Povezave: <https://techxplore.com/news/2021-09-neurotechnology-advances-chile-neuro-rights.html>

<https://www.straitstimes.com/world/in-the-face-of-neurotechnology-advances-chile-passes-neuro-rights-law>

<https://marcachile.cl/en/news-of-chile-in-the-world/chile-passes-law-to-protect-neuro-rights-or-brain-rights/>

[glej vire št. 19, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47]

Kar vprašajte se, zakaj tudi RTV Slovenija ni povzela npr novice iz Reutersa, ki pa je vendar dovolj kredibilen in priznan vir informacij v svetu!

V ZDA so v več zveznih državah uveljavili sodno prepoved pogojevanja s cepljenjem! Tudi te novice pri RTV niso objavili in dobro vejo zakaj! Za to ker bi morali podati tudi razlago. [glej vire pod št. 27, 28]

Povezave:

https://www.theepochtimes.com/judge-blocks-biden-administrations-covid-19-vaccine-mandate-for-health-care-workers_4129249.html

<https://www.zerohedge.com/covid-19/judge-blocks-bidens-nationwide-vax-mandate-federal-contractors>

In če gre pri vsej COVID zgodbi za zaslužnjevanje (globalni državi, seveda) **potem je to vojaška operacija in ne medicinsko zdravljenje populacije!** Zato pa je vse skupaj tako nasilno. Vse poteka po očitnih vojaških pravilih in manirah – prisila, sejanje straha, psihološka vojna, policijska ura, omejevanje gibanja, prepovedi združevanja, dezinformacije, cenzura, laži, tisočere laži, svetovni megasistem laži, ki generira vso plandemijo!

Ali je treba sploh še kaj?

Dovoljeno je govoriti samo dvem, trem, ki jih ljubkovalno imenujejo "znanost"! (Beri: KORPORATIVNA znanost!) Beda, ne pa znanost! Tisti dva, trije so naučeni kaj **morajo** in kaj **ne smejo** povedati. Drugi so odmaknjeni od mikrofонов. Vsi pa so bogato podplačani za to, da udrihajo po lastnem narodu in mu kopljejo genocidno jamo.

Sicer pa, po novem je status cepljenega omejen na 270 dni. Ali bomo torej tudi mi, ki smo se dvakrat cepili, 271. dan po drugemu cepljenju postali spet "necepljeni"?

Spoštovani, ali je mogoče, da necepljeni (kmalu tudi dvakrat cepljeni) ne smejo na banko, pošto, v trgovino, k zdravniku, se ne smejo vsesti v klop, niti v ta zadnji klop pri maši? Ali ni Odrešenik Jezus Kristus ozdravljaval gobavce in druge bolnike? Se jih dotikal! Ali so necepljeni (kmalu tudi dvakrat cepljeni) tako zelo kužni, da se ne smejo prikazati niti v bližino drugih?

Ampak necepljeni so kljub vsemu zdravi. Že dve leti, ves čas te "grozne p(l)andemije" so vsi zdravi, čeprav niso cepljeni. **Ali pa prav zato!**

Če bi res razsajala "strašno huda bolezen" na način, kot ga prikazujejo mediji, bi se katerega od njih že prijela. Očitno pa razsaja "virus", ampak v latinskemu pomenu te besede (Beri: prikrito strupljenje).

Zakaj še zdaj nimajo virusa izoliranega?

Zakaj nas "testirajo" z lažnimi testi?

Mimogrede, **turški minister za industrijo in tehnologijo, g. Mustafa Varank**, je dne 30.03.2021 ob odprtju nove tovarne grafena podjetja Nanografi dejal:

"After all clinical stages successfully completed, we aim to launch administering intranasal vaccine this year."

Povezava: <https://www.aa.com.tr/en/economy/turkey-developing-intranasal-covid-19-vaccine/2192492>

Turški minister za industrijo in tehnologijo torej **brez dlake na jeziku omenja grafen in nevrotehnologijo in intranazalna (nosna) cepiva.** [glej vir št. 91]

Zakaj v Turčiji lahko **odprto govorijo o grafenu in na njemu osnovani nevrotehnologiji** ter o intranazalnih cepivih, pri nas pa je v veljavi taka cenzura?

Zakaj pri nas ne govorimo tako odprto o nevro tehnologiji, kot naprimer v Čilu, kjer so 29. septembra celo sprejeli **zakon o zaščiti nevro pravic?**

V kakšni cenzuri živimo, je razvidno tudi iz sledečega:

Dokument FDA priznava, da je bil test PCR za "Covid" razvit brez izoliranih vzorcev za kalibracijo testa, in priznava, da testira nekaj drugega. FDA priznava, da nima izoliranega novega virusa.

Citat iz dokumenta FDA (Effective: 07/21/2021), stran 40:

“Since no quantified virus isolates of the 2019-nCoV were available for CDC use at the time the test was developed and this study conducted, assays designed for detection of the 2019-nCoV RNA were tested with characterized stocks of in vitro transcribed full length RNA (N gene; GenBank accession: MN908947.2) of known titer (RNA copies/ μ L) spiked into a diluent consisting of a suspension of human A549 cells and viral transport medium (VTM) to mimic clinical specimen.”

Povezava: <https://www.fda.gov/media/134922/download>

Povzetek citata:

Zaradi tega, ker **ne obstaja izolirani virus 2019-nCoV**, je bil test narejen na osnovi nečesa, kar **IMITIRA klinični vzorec!!!** [glej vir št. 90]

Poglejte prilogo: **slika dveh vrst testnih palčk, za katere se še preden jih uporabiš, ve za rezultat.**

Ene bodo pokazale “pozitiven”, druge bodo pokazale “negativen” rezultat. Kaj ni to lepo?

Se pravi, ko hočejo prirediti statistiko, zategniti zakonodajo, naročijo naprimer tri palete pozitivnih in 1 paleto negativnih, jih malo pomešajo in jih pošljejo kamor jim je potrebno! Kako je to lepo!

Necepljeni pa so kljub veliki okuženosti v Evropi zdravi. Brez cepiv.

Ali pa prav zato.

Ali ni to sramota? Kdo se iz nas dela norca, da nas na podlagi takih LAŽI!!! nateguje z zlaganimi podatki, vsak dan novimi, vsak dan zlaganimi tisočermi podatki, ki se vsujejo iz vsakih poročil na RTV in drugje, zato jih rabijo toliko, da že zaradi tega postanejo “resnica”.

Tisti, ki si številke izmišljuje lahko, če je spreten ustvari poljubno namišljeno situacijo – krizo, lock down ali pa izboljšanje pred prazniki: prav zdaj smo sredi ene take faze izboljšanja, ko virus ve, da se bližajo prazniki in se umika. Pameten virus, ni kaj!

In na vseh teh LAŽEH temelji vsa ta fašistična zakonodaja, za katero ni problem samo to, da je:

- večkrat protiustavna
- večkrat nezakonita
- večkrat nesorazmerna
- da tepta vse osnovne človekove pravice itd. itd.

Največji problem je v tem, da je zlagana:

- **TEMELJI NA LAŽEH** in je kot taka avtomatsko **NIČNA**
- **NE UPORABLJA ZDRAVIL, ampak BIOLOŠKO OROŽJE**

in kot taka nima pravice da se naslanja na ZNB, ker tam člani govorijo o **zdravilih in zdravljenju**, oni nam pa ponujajo **strupe in strupljenje!**

Vsi, ki pomislijo, da bi kdajkoli izdali take veleumne odloke ali zakone, bi morali prej prebrati, kaj jim v primeru takih dejanj nalaga KZ-1, in sicer še najbolj člani 100, 101 in 108, 114.

Ko tako vse te laži uspevajo (samo zaradi ljudske velike tolerance) ustvarjati vtis, da nas rešujejo, nam v rednih intervalih servirajo nove prisile, nove omejitve po principu popusti – zategni – popusti – zategni, 2 koraka naprej – 1 korak nazaj – 2 koraka naprej – 1 korak nazaj, dokler nas ne privedejo do novodobnih koncentracijskih taborišč. Bravo! Ali se bo moral zgoditi novi Auschwitz (digitalni), preden ljudje dojamemo vso zlonamernost teh laži? Po dveh letih takega življenja so mnogi že ob službo, mnogi obupujejo, zbolevalo od cepiv, ki so nam jih vsilili. V Evropi jih ni malo takih. Mnoge v Sloveniji poznamo mi.

Za posledice po cepljenju pa tako ali tako nihče ne odgovarja – ne Pfizer, ne država, ne zdravnik, nihče. Ali ni že to dovolj zgovorno? Vejo, da nas strupijo, to je tudi njihov pravi namen, ki ga ne smejo povedati. Seveda niso neumni, da bodo sprejeli odgovornost, ker vejo, da bo posledic ogromno in zato jih tudi kategorično ne priznavajo. Seveda, saj morilec ne prizna, da je koga ubil. To skriva do zadnjega, dokler ne pade okostnjak iz omare!

RTV v oddaji Tednik o poškodbah po cepljenju (Datum: 11. 10. 2021):

<https://365.rtv.slo.si/arhiv/teednik/174812869>

Da so cepiva strupi je že ugotovila **Vlada Zahodne Avstralije** (glej prilogo). **Njihovo ministrstvo za zdravje je že februarja 2021 COVID-19 cepiva klasificiralo dobesedno kot strupe (POISON [SARS-COV-2 (COVID-19) VACCINE – AUSTRALIAN DEFENCE FORCE])**, torej NISO zdravila! Mimogrede, na dokumentu je podpisan dr. Andrew Robertson, ki je služil tudi na treh misijah v Iraku, v okviru Avstralske vojske, kot inšpektor združenih narodov za biološko orožje - United Nations **Biological Weapons** Chief Inspector! (Prilagamo posodobljen dokument iz septembra 2021.) [glej vire št. 10, 31, 34]

Zakaj je **Pfizer** v svoje dokumente, v katerih opredeljuje izvajanje “poskusnega cepljenja”, to je uradni dokument na naslovu “clinical trials.gov”, vnesel klavzulo, da so **iz cepljenja izvzeti zaposleni na mestu kliničnega preskušanja, zaposleni pri Pfizerju**, ki izvajajo študijo, tisti, ki so drugače nadzorovani s strani glavnega raziskovalca **in VSI NJIHOVI DRUŽINSKI ČLANI!!** Ali njih virus ne ogroža? (Povezava: <https://clinicaltrials.gov/ct2/show/study/NCT04368728>)

Naj na temu mestu povemo, da v dokumentu na spletni strani <https://cdn.pfizer.com> , najdete podatek, da **delež placebo odmerkov varira glede na fazo študije, in sicer od 20% do 50%** (povzeto iz strani 17). S tem lahko razložimo, zakaj nekateri cepljeni niso bili zastrupljeni, saj **placebo vsebuje**, navajamo:

»Normal saline (0.9% sodium chloride solution for injection) «

Tudi za “cepivo” Nuvaxovid podjetja Novavax se najde podoben podatek, in sicer v dokumentu na strani <https://www.novavax.com> . Citiramo (iz tabele na strani 112):

»Section 9.2.1 (Packaging and Labelling)

Clarified that **0.9% sodium chloride** for injection will be used for **placebo**.«

»Participants will be **randomized in a 2:1 ratio** to receive either SARS-CoV-2 rS with Matrix-M1 adjuvant or placebo, administered via IM route.« (kopirano iz strani 61)

Spoštovani, verjetno vam je znana “agenda 2030” (<https://sdgs.un.org/2030agenda>), kaj razglaša in kaj jim je do danes uspelo od tega vse uresničiti, kar imajo zapisano v svojih bolanih planih. Ali se bo moralo res zgoditi, da bodo korporacije povzročile kopico vojn po svetu, da pride do kaosa, ki ga potrebujejo, da se bo za tiste, ki nažalost, bognedaj v večjem številu umrejo od strupov, lahko reklo, da so umrli od vojne? Eno takih vojn že v zadnjih dneh začenjajo kuhati v Bosni, tisti isti, ki so jo že enkrat zakuhali v devetdesetih letih prejšnjega stoletja.

Ali se bo moralo vse to zgoditi preden se ljudje zbudijo iz hipnoze in sprevidijo prevaro?

Načrtovano depopulacijo.

Avtorji agende ter drugi globalni akterji, kot npr. Svetovni gospodarski forum, se imajo za preroke, male bogove, ki jim je baje dovoljeno spreminjati od boga ustvarjeno bitje, človeka, v nekakšno tehno-raso s pomočjo cepiv!

Dokument WEF o IoB (Internet of Bodies):

https://www3.weforum.org/docs/WEF_loB_briefing_paper_2020.pdf

Izjava Klause Schwaba o fuziji fizičnega, digitalnega in biološkega sveta v intervjuju januarja 2016 na televiziji RTS - Radio Télévision Suisse – dosegljiva na naslednjih povezavah:

<https://www.youtube.com/watch?v=IJcey1PPiIM>

<https://www.youtube.com/watch?v=UmQNA0HL1pw>

To je dokazana **biološka vojna, vojaška operacija** in ne “medicinski poskus”. “Medicinski poskus” je laž! Še ena v vrsti laži ki jih je sproducirala ta p(l)andemija.

Neglede na vse ostalo, ali je možno, da se izvaja “poskus” **na celih narodih**, celo na celem svetu?? Ali je cel svet njim na razpolago za poskuse?? Ponavadi ko testirajo neko zdravilo, z razpisom pridobijo **nekaj sto prostovoljcev** - POUJARJAMO: **NEKAJ STO IN POUJARJAMO PROSTOVOLJCEV**(ki jih za to prostovoljnost tudi dobro plačajo) in šele, ko nihče od tistih nekajsto ni utrpel hujših posledic, se zdravilo odobri za široko uporabo.

Na strani <https://clinicaltrials.gov/ct2/show/study/NCT04368728> piše, da se bo Pfizerjeva "študija" končala 15. maja 2023. Koliko ljudi bo še ta "študija" poškodovala??

Na strani <https://clinicaltrials.gov/ct2/show/NCT04611802> piše, da se bo "študija" podjetja Novavax končala 30. junija 2023. Koliko ljudi bo še ta "študija" poškodovala??

Še enkrat vas vprašamo:

Zakaj so nekateri izvzeti iz teh študij? Citiramo:

1 "Študija" podjetja Pfizer:

"Exclusion Criteria:

*Investigator site staff or Pfizer employees directly involved in the conduct of the study, site staff otherwise supervised by the investigator, and **their respective family members.**"*

Torej zaposleni na mestu kliničnega preskušanja, **zaposleni pri Pfizerju**, ki izvajajo študijo, tisti, ki so drugače nadzorovani s strani glavnega raziskovalca in **VSI NJIHOVI DRUŽINSKI ČLANI!! Ali njih virus ne ogroža?**

2 "Študija" podjetja Novavax:

"Exclusion Criteria:

*12. Study team member or **first-degree relative of any study team member** (inclusive of Sponsor, and study site personnel involved in the study)."*

Torej vsi člani raziskovalne skupine, vključno s sponzorjem in zaposlenimi na mestu kliničnega preizkušanja **ali njihovi sorodniki po prvemu kolenu!!!**

Ali ne ogroža virus tudi njihovih sorodnikov?

Za vse nične zakone, ki so jih korporacije

podarile ljudstvu v zadnjih letih, pa itak velja: **Takoj, ko se razkrinka laž, ni potrebno nobeno posebno zasedanje sodnih svetov ali celo parlamenta. Dovolj je, da tajnica prelepi mapo s temi zakoni z nalepko "ZA V SMETIŠČE ZGODOVINE" in jih zabriše v smeti.** Ekspresno. Hitro. Še danes, ne jutri.

Oprostite za oster ton ampak to so stvari, ki so tako zelo logične, da o tem ne govori noben člen zakona. V nobenem členu nobenega zakona ne piše: **"Zakoni ne smejo temeljiti na lažnih podatkih."** To je potrebno vedeti, če si človek! Če nisi, se pač ne smeš riniti v politiko in postavljati zakone. Pika. Amen.

Vsi v Sloveniji, ki so to nepisano zapoved prekršili, pa bi si morali prebrati, kaj jim v primeru takih dejanj nalaga KZ-1, in sicer člene 100, 101, 108, 114 in še katere.

In prav avtorji agende so očitno tisti lažni preroki, ki hočejo poleg vsega ostalega še ukinit Krščansko vero in nam zapovedat satanizem.

Naslov novice iz časnika Politico:

"EU accused of trying to cancel Christmas! Advice on inclusive language dropped after criticism"

Povezava: <https://www.politico.eu/article/european-commission-cancel-christmas-inclusive-language-lgbtq/>

Saj oni, kot že z deli izpričani satanisti, ki niso v mladosti poslušali pridig o ljubezni, zdaj sejejo smrt po celem svetu. Ljudi so pahnili v množično hipnozo, da se ne bi upirali. Pridno ubogajo ukaze, saj cepljene in tudi druge "preroki" že obdelujejo s 5-G frekvencami.

Slovenija – pokritost s 5G omrežjem:

<https://www.telekom.si/pomoc-in-podpora/teme-pomoci/pokritost-in-dostopnost/pokritost-mobilnega-omrezja>

Krovni dokaz, da 5-G tehnologija bistveno vpliva na razvoj p(l)andemije, da izpostavljenost temu sevanju povzroča enake simptome kot COVID, navajamo na naslednji povezavi (iz uradne strani <https://pubmed.ncbi.nlm.nih.gov>):

Evidence for a connection between coronavirus disease-19 and exposure to radiofrequency radiation from wireless communications including 5G

Povezava: <https://pubmed.ncbi.nlm.nih.gov/34778597/>

Ali niso v zadnjem obdobju v Sloveniji postavljali "sodobnega omrežja" Wifi4EU v vseh šolah, vrtcih uradih... Tudi to je del zaslužnjenja. Poglejte naslednjo povezavo!
<https://wifi4eu.ec.europa.eu/#/home> [glej vire pod št. 29]

Samo še to! Ko se kljub vsemu enoumju uspe kje pojaviti kdo s pravimi argumenti, tak, ki je res znanstvenik in ne samo "ljubkovalni" znanstvenik, mu rečejo, da je en redkih, ki vnaša nasprotovanje med tiste, ki se trudijo reševati pandemijo. Pomota! Ni eden redkih, takih **znanstvenikov in zdravnikov** je samo v Evropi več deset tisoč, na svetu pa več sto tisoč, samo naš RTV jih striktno ignorira.

Izkrivljeno so pri RTV, STA in drugih medijih namreč poročali o temu, da je v Franciji 3000 zaposlenih v zdravstvu dobilo odpoved zaradi zavrnitve cepljenja.

Povezava:

<https://www.rtvlo.si/svet/francija-zacasno-suspendirala-vse-necepljene-v-zdravstvu/594202>

V resnici je **odpoved grozila 300 000 zaposlenim v zdravstvu, ker so zavrnil cepljenje.**

Povezavi:

<https://apnews.com/article/europe-business-health-france-paris-7bf6ca4fac1fd80809eb2af63a2bd6b9>

<https://nypost.com/2021/09/15/unvaccinated-french-health-care-workers-face-suspension-2/>

Naši mediji so vedno poročali izkrivljeno ali pa sploh niso poročali o milijonskih protestih v Parizu, Berlinu, stotisočglavih množicah na Dunaju, v Milanu, Pragi, po Španiji, po Grčiji... In še mnogo milijonskih (!) protestov po svetu. Ali je to malo? Ali je res tisti znanstvenik en redkih, ki nasprotuje tistim, ki "pomagajo"?

Da ni mogoče obratno – on je **eden mnogih, ki nasprotujejo tistim redkim, ki ustvarjajo p(l)andemijo.** Prav tem iz RTV, ki pomagajo trositi vse te LAŽI! Današnji RTV je samo še bedna slika nekdanjega Radia Kričač, ki je bil tisočkrat slabše opremljen in stomilijonkrat bolj človeški, uspešen pri obrambi naroda. RTV narod ubija, ga pošilja pred strelni vod, cepite se... cepite se! Zakaj ta RTV striktno molči o vseh milijonskih protestih po svetu? Oni že vejo, zakaj – ker bi jih to izdalo.

Njih in vse druge protagoniste te krize. Ali se vsi ti milijoni protestnikov motijo? Ali so vsi butasti in samo korporativna "stroka" najbolj pametna?

Ali se **200 000 ameriških vojakov, ki so zavrnil cepljenje** moti? Ali se tudi mi, dvakrat cepljeni motimo, da kloroform in grafen nimata kaj iskati v naših telesih? Niti v ppm količinah!

Kačji strup je tudi strupen, pa se uporablja v zdravilih. Ta dva strupa, ki sta v cepivih, pa bi ubila še tako strupeno kačo in ne piše zastonj na njihovih dokumentih, da ta dva pa NISTA ZA UPORABO V MEDICINI ALI VETERINI. Torej sta biološko orožje. Pika. Amen.

Ali se morda moti **LT. COL. Theresa Long, MD, MPH, FS – Brigade surgeon for the 1st aviation brigade, US Army**, ki je drugega novembra 2021 na okrogli mizi pod okriljem ameriškega senatorja **Rona Johnsona** poročala o izkušnjah njenih pacientov s cepivi?

Med drugim je povedala tudi naslednje:

"I believe that COVID vaccine is a greater threat to soldiers' health and the military readiness than the virus itself."

"What I found horrified me. I found that VAERS in only a few months into the vaccination campaign already had more deaths than in any year for all vaccines combined in each of the ten years previously."

"In June of 2021, the CDC announced that they were holding an emergency meeting to discuss higher than expected myocarditis in 16 – 24 year olds. Despite this announcement the military did not even pause their vaccination efforts. Why?"
"I saw five patients in clinic, two of which presented with chest pain, days to weeks after vaccination and were subsequently diagnosed with pericarditis and worked up to rule out myocarditis. The third pilot had been vaccinated and felt like he was drunk, chronically fatigued within 24 hours after vaccination."

"... in one morning I had to ground three out of three pilots due to vaccine injuries ..."

Poleg navedenega je ga. Theresa Long povedala tudi – to vam omenjamo v slovenskem jeziku – da je **več kot 200 000 vojakov ameriške vojske zavrnilo cepljenje!** Toliko o tem kako malo je posledic KOVID cepiv.

Ali so slovenski necepilci res osamljeni in neodgovorni?

(V prilogi dodajamo tudi prepis dela njenega govora.)

In samo še da vam navedemo izjavo svetega očeta Frančiška v intervjuju z Domenicom Agassom z naslovom God and the World to Come:

Pope Francis: 'We must save lives, not build weapons to destroy them'

Povezava do povzetka intervjuja v angleščini:

<https://www.vaticannews.va/en/pope/news/2021-03/pope-francis-book-excerpt-god-world-to-come.html>

Spoštovani, če se vam mi, ki to pišemo, zdimo prezeleni, da bi naši dokazi bili dovolj "težki", pogledjte prosimo, poziv g. nadškofa (Carlo Maria Viganò), ki tudi poziva vse dobro misleče kristjane k združevanju. [glej vir št. 55]

Pa si pogledjmo še, kaj je odkril **Dr. Pablo Campra**:

Dr. Pablo Campra, ugledni profesor na Univerzi v Almeriji, je 2. novembra 2021 razkril, da je v več stekleničkah s "cepivom" Covid-19 s pomočjo mikro-Ramanove spektroskopije odkril grafen. Dr. Campra je v poročilu Univerze v Almeriji dokazal, da je v 8 vzorcih različnih proizvajalcev "cepiv" **odkril grafen**. [glej vir št. 74]

ResearchGate: DETECTION OF GRAPHENE IN COVID19 VACCINES

[Universidad de Almería](#)

Povezava:

https://www.researchgate.net/publication/355979001_DETECTION_OF_GRAPHENE_IN_COVID19_VACCINES

Citat iz abstrakta:

"We present here our research on the presence of graphene in covid vaccines. We have carried out a random screening of graphene-like nanoparticles visible at the optical microscopy in seven random samples of vials from four different trademarks, coupling images with their spectral signatures of RAMAN vibration. By this technique, called micro-RAMAN, we have been able to determine the presence of graphene in some of these samples, after screening more than 110 objects selected for their graphene-like appearance under optical microscopy."

LA QUINTA COLUMNA: <https://www.laquintacolumna.net/>

Nujno moramo omeniti še eno gnilo jajce, ki nam ga te dni servirajo naši mediji in nam ga pripravlja korporativna "stroka". To je novo "zdravilo", **Molnupiravir**. Tudi za tega se najde **tehnični list** (proizvajalec: Cayman Chemical) (priloga) na katerem je navedeno:

WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

Se vam ne zdi to opozorilo nekam znano? Iz tehničnih listov za **SM-102** in **ALC-0315**? Če se bo sesula zgodba o cepivih, kar se očitno bo, ker se sesuva že v več državah, npr. Japonska, Švedska, Texas, Iowa... imajo v rezervi zgodbo z molnupiravirjem, da nas bodo še naprej strupili s substancami, ki po uradnih dokumentih proizvajalca nosijo enako opozorilo kot SM-102 in ALC-0315: WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

Tehnični list proizvajalca Carbosynth za **Molnupiravir** navaja:

not for food or drug use, for laboratory use only

Harmful if swallowed.

Causes skin irritation.

Causes serious eye irritation.

Torej **nevaren ob zaužitju**! Ali ga ne dajejo ljudem v obliki **tablet** za »zaužitje«?

Univerza John Hopkins je v sodelovanju z Bloombergom že izdelala scenarij za **bodočo p(I)andemijo SPARS**

(<https://stars.library.ucf.edu/jicrcr/vol3/iss1/4/>) ki se bo začela 2025, trajala naj bi približno 3 leta.

So že zmenjeni z virusom, kdaj mora priti in kdaj oditi. [glej vire pod št. 15]

Ali se bomo še enkrat pustili prevarati?

Nenazadnje, v Kazenskemu zakoniku (KZ-1) stojita 280. in 281. člen, ki pravita, da smo državljani dolžni prijaviti če vemo, da nekdo pripravlja ali izvaja kaznivo dejanje, za katerega je predvidena zaporna kazen 15 ali več let zapor, kar genocid vsekakor je. V nasprotnem, če tega ne prijavimo, smo mi v prekršku, zaradi katerega nam zakon predvideva do 3 leta zaporne kazni.

Potemtakem **je bilo to naša dolžnost, da javimo naprej sume, ki smo jih celo potrdili in dokazali na podlagi verodostojnih virov (EMA, VAERS, ClinicalTrials.gov, uradne vladne strani nekaterih držav, tehnični podatki za substance v cepivih,...)!**

Iz vsega povzemamo, da so prevare zelo, zelo verjetne, vsekakor pa bolj kot nevidni sovražnik, kakršnega nam predstavljajo mediji.

Popolna cenzura, enoumje, pogromi nad tistimi, ki ne verjamejo medijem in vse, kar sodi zraven, samo potrjuje vse naše sume.

Lep pozdrav!

41 Neuro rights foundation:

<https://neurorightsfoundation.org/>

The NeuroRights Foundation's first goal is to protect the human rights of all people from the potential misuse or abuse of neurotechnology.

*We are working to incorporate five specific **Neuro-Rights** that have been identified as especially critical into international human rights law, national legal and regulatory frameworks, and ethical guidelines.*

https://neurorights-initiative.site.drupaldisttest.cc.columbia.edu/sites/default/files/content/The%20Five%20Ethical%20NeuroRights%20updated%20pdf_0.pdf

The Neurorights Foundation has worked with the Senate of the Republic of Chile, the Minister of Science and the Catholic University (Pontificia Universidad Católica: PUC) to pioneer a NeuroProtection agenda. These efforts have been coordinated by the Commission of the Future of the Senate, an office led by Senator Guido Girardi. The objective of this commission is to introduce legislation arising from advances in medicine and science. <https://neurorightsfoundation.org/chile>

68 Organizacija ATCC:

<https://www.atcc.org/>

69 Organizacija ATCC – članek v časniku The Baltimore Sun, 1. oktobra 2002, ki govori o temu, da je ATCC podpirala biološko vojno v Iraku:

arhivirano: <https://web.archive.org/web/20070102210112/http://www.baltimoresun.com/news/nationworld/bal-te.bioweapons01oct01%2C0%2C4635016.story?coll=bal-home-headlines>

citat:

»The CDC and a biological sample company, American Type Culture Collection, sent strains of all the germs Iraq used to make weapons, including anthrax, the bacteria that make botulinum toxin and the germs that cause gas gangrene, the records show. Iraq also got samples of other deadly pathogens, including West Nile virus.«

original: <http://www.baltimoresun.com/news/nationworld/bal-te.bioweapons01oct01.0,4635016.story?coll=bal%2Dhome%2Dheadlines>

70 Po poročanju The New York Times in Reuters je podjetje Novavax dobilo 1,6 milijarde dolarjev podpore s strani U.S. Department of Health and Human Services in U.S. Department of Defense:

<https://www.reuters.com/article/us-health-coronavirus-novavax-idUSKBN248182>

<https://www.nytimes.com/2020/07/07/health/novavax-coronavirus-vaccine-warp-speed.html>

71 Podjetje Novavax razvija »cepivo« Nuvaxovid v navezavi z Department of Defense – potrditev iz uradne strani <https://www.hhs.gov/> :

Na strani <https://www.hhs.gov> se dobi dokument, ki potrjuje novice iz vira 70, in sicer, da podjetje Novavax razvija »cepivo« Nuvaxovid v navezavi z Department of Defense:

<https://www.hhs.gov/sites/default/files/vaccine-development-to-large-scale-manufacturing-agreement-with-novavax.pdf>

POMEMBNO:

V dokumentu je navedena tudi sestavina Matrix-M1! In to eksplicino **Matrix-M1!**

Citat iz dokumenta (Stran 6):

»Test Product(s); Dose Regimen; Route of Administration: Vaccine + **Matrix-M1** - dose determined by Phase 2 dose confirmation study«

72 Prejšnji predsednik ZDA Donald Trump je 13. novembra 2020 uradno potrdil, da je Pfizer v okviru operacije Warp Speed prejel od ameriške vlade 1,95 milijarde dolarjev.

Operacija Warp Speed pa se je izvajala pod okriljem U.S. Department of Defense in U.S. Department of Health and Human Services.

Citat:

Remarks by President Trump During an Update on Operation Warp Speed

THE PRESIDENT: »Pfizer said it wasn't **part of Warp Speed**, but that turned out to be a unfortunate misrepresentation.

They are part. That's why we gave them the \$1.95 billion — billion dollars. And it was an unfortunate mistake that they made when they said that.«

89 Oddaja Tednik na RTV Slovenija o poškodbah po cepljenju (Datum: 11. 10. 2021):

<https://365.rtvsl.si/arhiv/tednik/174812869>

90 Dokument FDA priznava, da je bil test PCR za "Covid" razvit brez izoliranih vzorcev za kalibracijo testa, in priznava, da testira nekaj drugega:

<https://www.fda.gov/media/134922/download>

91 Turkey developing intranasal COVID-19 vaccine (Anadolu Agency, 30.03.2021)

<https://www.aa.com.tr/en/economy/turkey-developing-intranasal-covid-19-vaccine/2192492>

V novici izvemo, da **Turčija razvija intranazalno cepivo**. Novica povzema dogajanje in govor turškega ministra za industrijo in tehnologijo (Mustafa Varank) na otvoritvi nove tovarne grafena podjetja Nanografi v Ankari. Minister je med drugim dejal:

"Bioelectronic medical technologies that provide real-time treatment by reading and changing body electricity will be developed, and corrosion, heating and transmission problems will be solved,"

Torej se v Turčiji **odprto, brez cenzure govori o nevrotehnologiji**, tako imenovanemu elektronskemu povodcu. In to govori celo **MINISTER ZA INDUSTRIJO IN TEHNOLOGIJO!!!**

92 Cross-protection against influenza virus infection by intranasal administration of M1-based vaccine with chitosan as an adjuvant

<https://pubmed.ncbi.nlm.nih.gov/20870054/>

Študija govori o Matrix protein 1 (M1) kot osnovi za cepivo. Citat iz abstrakta:

»*Matrix protein 1 (M1) protein is highly conserved in all influenza A strains. In this study, M1 protein was efficiently expressed in Escherichia coli (E. coli), then purified and used for immunization of BALB/c mice by intranasal drip using chitosan as adjuvant.*«
