Dear colleagues,

It is our pleasure to inform you that the Faculty of Hotel Management and Tourism in Vrnjačka Banja, University of Kragujevac has started with the preliminary activities for the purpose of organizing the V International Scientific Conference *Tourism in function of development of the Republic of Serbia – Tourism and Rural Development*, which will be held from June 4th to 6th, 2020. As in previous years, we are planning to co-organize the Conference together with numerous scientific institutions and institutions of higher education from Serbia and abroad. It would be a great honour if your institution could act as one of the co-organizers of the International Scientific Conference and actively participate in its work.

We would like to remind you that co-organizers do not bear any Conference-related costs.

In case that you accept to be the co-organizer of the upcoming Conference, we kindly ask you to propose two members from your institution for the Scientific Board of the Conference, **not later than December 15, 2019**. Please note that the rectors/deans/directors will be members of the Honorary Board.

In addition, we would be grateful if you could put the first Conference announcement and instruction for authors on your institution's website.

However, if you are not in the position to accept the invitation, we would like to ask you to send us the official notification **until December 15, 2019** by replying to this e-mail (tisconference@gmail.com).

We are looking forward to welcoming you in Vrnjačka Banja next year at the beginning of June.
