

Your Alps! Your Future! Your Idea!
PITCH YOUR PROJECT TO THE EU!

True to the motto of the EUSALP (EU-Strategy for the Alpine Region) Annual Forum 2018 **»shaping.future.together. with the next generation«**, its organisers, the Tyrol and the European Commission, are calling for a youth ideas competition.

You, the young experts of your region, have the unique chance to present your projects for the Alpine Region to the EU decision-makers. Five projects will be presented as a pitch at the Annual Forum. The three best projects win financial support for their implementation.

All information about the pitch session and the application process can be found here:
