**International Scientific Conference (in Slovenia):
Logistics in Chain of Food and the Environment**

**Meeting of European and Russian Companies (in Slovenia):
Challenges and Opportunities of EU-Russia Cooperation**

13th and 14th of October 2016

Location: Novo mesto, Slovenia

Dear colleagues.

We would like to invite You to participate with your contributions (Scientific Paper) on international scientific conference »Logistics in Chain of Food and the Environment«.

The entire international event will be held from 13th of October to 14th of October 2016 **in Novo Mesto (Slovenia)** in the organization of International Institute for Logistics - IIL **at the seat of educational institution GRM Novo mesto (Center of biotechnology and tourism)**, who is also a co-organizer of the conference. Besides international scientific part of the Conference, this conference presents an excellent opportunity to meet with European and Russian Companies.

Scheduled program of the international event is as follows:

- **Thursday, 13th of October 2016:**
International Scientific Conference: Logistics in Chain of Food and the Environment
- **Friday, 14th of October 2016:**
Meeting of European and Russian Companies at a round table on the theme Challenges and Opportunities of EU-Russia cooperation

Details about Paper Submission: The scientific Paper should not exceed more than 5,000 words, including summary, 5 keywords and text. Please, use font Times New Roman 11 and Harvard method of citation. Send to an e-mail: iil-mil@outlook.com. All contributions will be reviewed.

Conference Fee for 1 Paper-one participant, for early payment up to 15th of September is EUR 80, for payment to 1st of October 2016 is EUR 100 (a payment on account of the International Institute for Logistics, TRR: IBAN SI56 0483 5000 1898 929, SWIFT: KBMASI2X (NOVA KBM d.d.)). That date is also the deadline for sending contributions by e-mail: iil-mil@outlook.com

The possibility of publishing your Paper in Conference Proceedings, which will be released after the conference, are large, so You are invited to attend the conference by heart. With a good organization and international scientific and business participation, that are guaranteed, location of the Novo Mesto for You can be an excellent opportunity to learn about the beauty and hospitality of south-eastern part of Slovenia.
